2015: since composite inception of 7/1/15

Performance data shown represents past performance and is no guarantee of future results. Current performance may be lower or higher than quoted. Returns are shown in US dollars and are annualized for one and multi-year periods. Gross returns are net of trading costs. Net returns are gross returns less effective management fees.

There is no guarantee that the investment objective will be realized or that the strategy will generate positive or excess return. There is no guarantee that the strategy will always be able to maintain its targeted risk level.

For Institutional Use Only. Not For Further Distribution.

Duration and Maturity for equity securities are deemed to be zero.

Diversification does not ensure a profit or guarantee against a loss.

Loomis, Sayles & Company, L.P. ("Loomis Sayles") is an independent advisory firm registered under the Investment Advisers Act of 1940. For additional information on this and other Loomis Sayles strategies, please visit our website at www.loomisayles.com.

10 to 20 Yrs.	5.1	6.1
20 Yrs. or more	6.3	9.7

Key Risks

Credit Risk, Issuer Risk, Interest Rate Risk, Liquidity Risk, Non-US Securities Risk, Currency Risk, Prepayment Risk and Extension Risk. Investing involves risk including possible loss of principal. Commodity interest and derivative trading involves substantial risk of loss.

Due to rounding, Sector, Currency, Credit Quality, Duration and Maturity distribution totals may not equal 100%. Country Distribution reflects breakdown of the top 10 country allocations only and therefore does not total 100%. This portfolio is actively managed and characteristics are subject to change. Credit Quality reflects the highest credit rating assigned to individual holdings of the composite among Moody's, S&P or Fitch; ratings are subject to change. Duration and Maturity Distribution Less than 1 Yr. may include cash and equivalents. Cash & Equivalents may include unsettled trades, fees and/or derivatives. TMT: Technology, Media, and Telecom.

The Composite includes all discretionary accounts managed by Loomis Sayles with market values greater than \$20 million which primarily invest in investment grade hard currency debt of corporate, sovereign, and quasi-sovereign entities located in emerging market economies and that are benchmarked to hard currency emerging market corporate indices. Loomis Sayles's security level research and significant tactical country and sector allocation are primary alpha sources for this product. Prior to January 1, 2018 the Composite did not have a minimum account size requirement. The Composite inception date is July 1, 2015. The Composite was created in 2018.
