Average Yield is Yield to Effective Maturity. Duration and Maturity for equity securities are deemed to be zero. Please see the risks and disclosures on the following page for additional important information.

Loomis, Sayles & Company, L.P. ("Loomis Sayles") is an independent advisory firm registered under the Investment Advisors Act of 1940. For additional information on this and other Loomis Sayles strategies, please visit our website at www.loomissayles.com.

Performance data shown represents past performance and is no guarantee of future results. Current performance may be lower or higher than quoted. Returns are shown in US dollars and are annualized for one and multi-year periods. Gross returns are net of trading costs. Net returns are gross returns less effective management fees.

There is no guarantee that the investment objective will be realized or that the strategy will generate positive or excess return.

KEY RISKS

Credit Risk, Issuer Risk, Interest Rate Risk, Liquidity Risk, Prepayment Risk and Extension Risk. Investing involves risk including possible loss of principal.

Commodity, interest and derivative trading involves substantial risk of loss. **Diversification does not ensure a profit or guarantee against a loss. Any investment that has the possibility of profits also has the possibility of losses, including the loss of principal.**

Due to rounding, Sector, Currency, Country, Credit Quality, Duration and Maturity distribution totals may not equal 100%. This portfolio is actively managed and characteristics are subject to change. Credit Quality reflects the middle credit rating assigned to individual holdings of the composite by Moody's, S&P or Fitch; ratings are subject to change. Cash & Equivalents may include unsettled trades, fees and/or derivatives. ABS/RMBS: Asset-Backed Securities/Residential Mortgage-Backed Securities. Agency MBS: Agency Mortgage-Backed Securities. CMBS: Commercial Mortgage-Backed Securities. Emerging Markets Debt in the sector distribution is defined as US dollar denominated, non-investment grade bonds, which are from a country on the firm approved Emerging Markets list based on Bloomberg Emerging Markets Ex-Aggregate Index.

The Composite includes all discretionary accounts with market values greater than \$5 million managed by Loomis Sayles with investment guidelines that allow for a diversified, actively managed exposure to the US High Yield credit market which emphasizes a disciplined portfolio construction and risk assessment process in fixed income and related investments of any maturity and credit quality, including lower-rated fixed income investments, derivatives, and bonds with equity like features. As of 1/11/2021 the Composite was redefined to include commingled vehicles, previously only separate accounts were included. The Composite inception date is October 1, 2009. The Composite was created in 2010. For additional information on this and other Loomis Sayles strategies, please visit our web site at www.loomisayles.com.
