

ANAND VANKAWALA

Anand Vankawala is a member of the Specialty Growth Strategies Team at Loomis, Sayles & Company. He is a senior equity analyst for the small cap and small-mid cap growth products and a co-portfolio manager for the mid cap growth product. Anand joined Loomis Sayles in 2017 and has 15 years of investment industry experience. Previously, he was at Century Capital Management, first as a junior equity analyst assisting in models and research across all sectors, and later as a senior equity analyst covering small cap and smid cap healthcare companies and analyzing general sector trends. Prior to this, Anand was at Avondale Partners, where he was responsible for covering stocks that fell within the healthy living category. Before this, he held medical research positions at the INC Research Contract Clinical Research Organization and the Illinois Institute of Technology Engineering Research Center. Anand earned a BS in biomedical engineering from the Illinois Institute of Technology and an MS in finance from Vanderbilt University.
