

ELAINE KAN, CFA

Elaine Kan is a vice president, portfolio manager and rate & currency strategist for the fixed income group at Loomis, Sayles & Company. In addition to co-managing the Loomis Sayles Inflation Protected Securities Fund, Elaine is responsible for implementing interest rates and currency derivatives strategies for the alpha strategies group, as well as providing support to other products across the fixed income group. She joined Loomis Sayles in 2011 from Convexity Capital Management Co., where she was a portfolio analyst. Previously, Elaine was a fixed income analyst at Harvard Management Company. She began her investment industry career in 1997, working in the financial engineering group at Bank of Boston. Elaine earned a BS in engineering, a BS in finance and a master's degree in electrical engineering from the Massachusetts Institute of Technology.

Before investing, consider the fund's investment objectives, risks, charges, and expenses. Please visit loomissayles.com or call (800) 225-5478 for a prospectus and a summary prospectus, if available, containing this and other information. Read it carefully.
