

Tom Fahey

Tom Fahey is a vice president and co-director of macro strategies at Loomis, Sayles & Company. He analyzes global investment conditions, conducts macro-oriented research to determine relative value between countries, currencies and asset classes, and develops tools and processes to facilitate investment decisions. In addition, Tom is a co-portfolio manager for the Loomis Sayles world credit asset strategy and the Loomis Sayles Multi-Asset Income Fund. He has 24 years of investment industry experience and joined Loomis Sayles in 2010. Previously, Tom was a senior portfolio manager and global bond strategist at Standish Mellon Asset Management. Prior to joining Standish, he worked at The Bank Credit Analyst (BCA) Research Group as a foreign exchange strategist. Tom earned a BA from St. Francis Xavier University in Nova Scotia and an MA from Concordia University in Quebec.

Before investing, consider the fund's investment objectives, risks, charges, and expenses. Please visit loomissayles.com or call (800) 225-5478 for a prospectus and a summary prospectus, if available, containing this and other information. Read it carefully.

Natixis Distribution, L.P. (fund distributor, member FINRA | SIPC) and Loomis, Sayles & Company L.P. are affiliated.
